LINEMAN FELL TO PAVEMENT.

As Charles Barr, of 1215 Jasper
avenue, a lineman in the employ of the
city, was climbing an electric
light pole at the corner of McDougall
and Jasper last night, in order to at-
tach a new wire, he fell and was
doubtfully hit the pavement from some
unexplained cause. The city ambul-
ance was summoned and the man was
conveyed to the General hospital, where it
was found that his back was sprained.
He is a man of very serious
character and will likely be sent
again in a day or so.

CASE WAS DISMISSED.

To appear as counsel and defendants in the police court over the
short space of two days has been the
usual experience of Mr. and Mrs.
Charles Taylor, reputed to be members
of an old Virginia family. On
Wednesday evening they were at the
Savoy Hotel, in court on a charge of
wrongfully withholding their trunk,
which had been left in the care of the
train and ordered that the trunk be turned
over on payment of the sum of \$15,
which was handed over under protest.

Taylor then retaliated by swear-
ing out a warrant for their arrest
and the police officers, after a search
of the trunk, found a pistol, a knife
and forks belonging to the trunk, all of
which were subsequently recovered
from the trunk. As they could
not produce the necessary bail money,
the case was dismissed on a charge
of perjury. The case was dismissed
on Monday evening. The case was
dismissed by the magistrate yesterday
afternoon after a lengthy hearing.

Martin Doyle and John Armstrong,
two well known lumbermen, left for
Edmonton, from which point they will
be away on Wednesday morning with a
team of horses to the timber land
headed for the Peace River district in
the vicinity of Dunvegan, with the in-
tention of getting out logs for the
timber securing business in that dis-
trict. Mr. Doyle states that during
the past year he has put in a great
deal of his time going over the land
in that region, and that he has
selected locations there within the
past few months. A large number of these
have been from the middle western
portion of the St. Louis especially
Oregon and Kansa.

DEATH BY VIOLENCE.

Death by violence was the verdict
brought in yesterday in the inquest
held over Dr. Fordin, last night in
the case of the infant found in a box
at 12th and B. yards, three days
ago. The police could not yet
find any trace of the parents and
one could be secured as the per-
son guilty of the infanticide.

A MAMMOTH SHOW BUSINESS.

The business of Amex Holden Mc-
Cready Limited for the six months
ended October 31st, 1918, shows an
increase of sales over \$250,000
over the same period last year.

The average weekly sale for

the spring trade is

considerably above last year and reports

from all branches of the organization
in the Pacific indicate a heavy busi-
ness for the coming spring.

LINEMAN FELL TO PAVEMENT.

As Charles Barr, of 1215 Jasper
avenue, a lineman in the employ of the
city, was climbing an electric
light pole at the corner of McDougall
and Jasper last night, in order to at-
tach a new wire, he fell and was
doubtfully hit the pavement from some
unexplained cause. The city ambul-
ance was summoned and the man was
conveyed to the General hospital, where it
was found that his back was sprained.
He is a man of very serious
character and will likely be sent
again in a day or so.

CASE WAS DISMISSED.

To appear as counsel and defendants in the police court over the
short space of two days has been the
usual experience of Mr. and Mrs.
Charles Taylor, reputed to be members
of an old Virginia family. On
Wednesday evening they were at the
Savoy Hotel, in court on a charge of
wrongfully withholding their trunk,
which had been left in the care of the
train and ordered that the trunk be turned
over on payment of the sum of \$15,
which was handed over under protest.

Taylor then retaliated by swear-
ing out a warrant for their arrest
and the police officers, after a search
of the trunk, found a pistol, a knife
and forks belonging to the trunk, all of
which were subsequently recovered
from the trunk. As they could
not produce the necessary bail money,
the case was dismissed on a charge
of perjury. The case was dismissed
on Monday evening. The case was dismissed
on Tuesday afternoon after a lengthy hearing.
